LOCAL AND PERSONAL.

Owing to the great number of visitors called to Hondo on account of the fair, and the limited time at our command the Anvil Herald, reluctantly, is forced to forego the mentioning of those known to have attended. It would be an impossibility to secure the names of all, and consequently, as we do not wish to play favorites, will have to omit the names of even those we know to have been here. However, this paper hopes they all had a joyous time while here.

The gross receipts of the dinner served by the ladies of the Lutheran Church at the Rest Room Thursday approximated \$375. It will be some days yet before the net receipts that will pass into the treasury of the Church will be definitely known.

THE SECOND ANNUAL FAIR NOW ON.

Medina County's Second Annual Fair opened at 10:30 o'clock Thursday morning. A record attendance thronged the grounds all day and late into the night. And from all came only expressions of pleasure and satisfaction at the splendid entertainment that had been provided.

The formal opening of the Fair was preceded by a grand parade which formed near the school house and traversed the principle streets of the town enroute to the Fair grounds.

The parade was led by a band from San Antonio, followed by the grand marshal of the day, C. J. Bless, and Sheriff J. F. Bader. The American Legion, which held third place in the line, was followed by the Queen's float and her royal court, composed of the queen's maids.

Acting as queen's maids were the following: Misses Octavia Davis, Alta Van Fleet, Clara Filleman, Dee Crow and Irma Haegelin. The princess of the royal house was Miss Ethel Hutzler. The queen was crowned by R. J. Noonan, county judge of Medina county, who delivered an appropriate address.

As the gates at the fair grounds swung open, following the coronation ceremonies, every exhibit was in its place. Farm and woman's department exhibits fill the large main exhibit building while the live stock exhibits are housed in spacious quarters in the livestock exhibit sheds. According to fair officials, the livestock exhibits are the finest in the short history of the association.

Aside from picked pens of registered Delane Merino Sheep and registered Angora goats there are pens of Duroc Jersey and Poland China hogs, black and red Poll, Hereford and Jersey cattle, and registered horses. The poultry exhibit, though small, is one of the finest in the history of the association.

The following winners in the morning's parade was officially announced late Thursday afternoon: Civic floats: Queen's float won first place with Mrs. Cockrell's Music float running a close second. Decorated automobile; first, Miss Clara Decker; second, Mrs. Eugene Murray and third, Mrs. Mimke Muenink, lady chairman of the fair association. In the mercantile division the Hondo Mercantile Company won first place, E. R. Leinweber Company took second with the Superior Feeds float running a close third. The Hondo High School won first place for the best school float.

An attractive feature of the day's program was the races from 2 to 3:30 P. M. Four races were run, and the following is the line-up and results: First race, 1/4 mile free for all: First, Katy Flyer, Sittre up, Senne owner; second, Beauty Girl, Beck up, Lick owner; Third, Buster Brown, Gordon up, Haller owner; Fourth, Bally Gin, Trabe up, Lick owner.

Second race, 1/4 mile, 2 years only: First, Around the World, Beck up, Schuehle owner; Second, Sleepy Joe, Brennam up, Richter, owner; Third, Spark Plug, Fullington up, Fullington Owner.

Third race, 1/4 mile, free for all. First, Whiskey Pete, Fullington up, Burrell owner; Second, Free Silver, Beck up, Schott owner; Third, Tom Gay, Sittre up, Haby owner.

Fourth race, cow horses from Medina County only. First, Will Leinweber; Second, Guido Richter; Third, August E. Schuehle.

The Fair opened most conspicuously and with every prospect of a successful occasion. Intermittent showers Thursday evening, however, sent many of the merry-makers home before the appointed hour of retirement and rains over the entire county during the night almost put the Fair out of commission Friday. As we went to press everyone was hopeful that today would be a banner day.

Later: It was decided to continue the Fair over Sunday. See announcement elsewhere.

Mrs. Harold Baldwin and charming daughter, Miss Mary Kyle, were guests of Mrs. J. W. Griffiths and family Thursday and were interested visitors to the Fair.

John Tragger, the proprietor of the Castroville Amusement Park, was a Hondo visitor Thursday and paid our office a business call. Mr. Tragger has opened up an attractive pleasure resort on the banks of the historic Medina river and it is proving intensely popular with pleasure lovers.

Among the interested sightseers at the fair are Mr. and Mrs. Aug. Holzhaus of Castroville. They took the prize here last year for being the oldest married couple at the fair, and will doubtless walk away with it again this year. They are guests of their daughter, Mrs. Joe Bader, while in the city.

L. F. Rucker was a business caller at this office Tuesday and took advantage of our combination rate to subscribers for Farming, our monthly farm journal. We hope eventually to have every Anvil Herald reader follow Mr. Rucker's example as the two together are sold at the price usually charged for a county seat weekly, \$2.00 per year.

Schmidt No. 2 of the Ina Oil Company is down 900 feet with the drill resting on the cap rock. The well has been standing at this depth for the past week while the well was being cemented preparatory to drilling through the cap rock. The final drilling was set for Saturday but for some reason has been delayed and will occur Monday. Everyone is very much interested in this well and more than likely it's "bringing in" will be the grand beginning of a valuable industry in Medina County.

C. R. Gaines received a painful but by no means serious accident last Sunday morning. He was overhauling an old Buick—one of the first built, that looks somewhat like a burlesque on the new and beautiful car of today—to enter it in the fair parade Thursday. From some cause the engine backfired, the crank striking him on the upper lip, splitting it from the nose to the mouth. Surgical assistance was immediately available and the wound, which required several stitches, dressed, and he is now practically well, and his beauty of which he had but little to spare, will be but little, if any, impaired. Mr. Gaines will probably use the incident to press home the fact that the valve-in-head motor, the kind the Buick uses is the best ever and never wears out.

J. C. Merriman, Jr., son of Mr. and Mrs. J. C. Merriman, narrowly escaped serious injury Wednesday. While assisting in helping the carnival people move their paraphernalia to the fair grounds, walking and driving his team, he was run into by an automobile and jammed against the wagon. At first it was feared he was critically injured but the physician that was called, after a careful examination, allayed the anxiety of the friends of the young man. J. C. while considerably bruised up, suffered no broken bones, and is about his normal self again. In fact, he had sufficiently recovered to participate in the parade Thursday. It takes more than one mishap of this kind to put an ex-football player down and out for any considerable length of time.

Mrs. W. S. Ragland and son, W. S. Ragland, are here the guests of Mrs. Ragland's sister, Mrs. Chas. Metzger. The young gentleman's health, which has been somewhat impaired for some time, is gradually showing improvement.

Garland Martin, Manager of the
Alamo Lumber Company returned
Monday from a visit to Austin. Mr.
Martin says that the cotton crop in
the territory covered by his trip is
inferior to that of Medina County.
While some crops looked fairly well,
the Majority was far from promis-
ing, and that it was up to Medina
county to cover the shortage that the
crops between here and the Capital
City indicated.

WITH THE DRILLERS.

But little new has developed the
past week. While preparations are
being perfected to start drilling, no
new work of this character has ac-
tually been begun unless the well on
the Mofield ranch was spudded in
Friday morning. From the best in-
formation obtainable, that was the
purpose of the driller.

Schmidt No. 2 of the Ina Oil Com-
pany had reached a depth of 500 feet
up to Thursday night. A double
shift has been put on by the com-
pany and work will be pushed to the
utmost until the oil sand is reached.
It is the purpose to bring this well in
the coming week as another exhibit
for the entertainment and edifica-
tion of the great crowds that are ex-
pected to be drawn here by the fair.

Altogether there have been some
seven or eight locations, all in close
proximity to the discovery well, but
so far as we are informed, no der-
ricks or rigs have as yet been erected.

DEVINE NEWSLETS.

From The Devine News.
Devine Man Appointed to State Position.

The Honorable G. C. Morris showed us a letter, Friday from His Excellency Pat. M. Neff, tendering him the position of an Assistant to the Attorney General's Office in Court Criminal Appeals, which carries a salary of \$3,600 the year. Since Mr. Morris showed such ability in forming and presenting measures in the 37th Legislature, and associating with Governor Neff in getting through some of his special measures, he has had an eye on this young man; and the fact that Medina County had never had an appointment to a state position from the Governor, led him among other things to give this position to Mr. Morris. We understand that this office will only take a part of Mr. Morris' time and he will have some time to look after civil matters entrusted to him; and his appointment will be a great boost to him as a young lawyer, both in his practice and in his political career.

Stills Found By Officers in Seco Hills.

Deputy U. S. Marshall Ed. Cotulla and Sheriff Weathers of Frio County, located two stills, Saturday on a ranch north-west from Pearsall, in the Seco Hills just over in Medina County. With the stills, one of which was out of commission, was found a barrel of mash and other evidence of business. It seems that some one had tipped off the officers, and they had gone to the ranch, met up with the man who had it leased, who makes Devine his usual headquarters, told him of their information and were taken by him to the stills. It seems that the Devine man, while admitting some responsibility, was not the aggressor, but named a resident citizen of that community, and perhaps one or two more, who were interested in the business. He was taken to Pearsall, kept for a while and later released on his own recognizance. The case will probably come up in the Federal court in San Antonio, as a custom officer was in the search and seizure. The young man is of one of our oldest and best families and this is the first charge ever filed against him and we will withhold the name, at least until the guilt or innocence of the accused is better established.

FROM THE BANDERA NEW ERA.

Yielding to the urge and for the purpose of once more attempting to try to realize an ambition that developed several years ago we have decided to resume the publication of a magazine devoted to frontier history. This publication was formerly known as Hunter's Frontier Magazine, and was published at Melvin, Texas, later moving to San Antonio, where conditions due to the World War caused it to be a financial failure and "busted" its editor. Now that we have the equipment necessary to getting out a magazine we will soon bring it forth under a new title and publish it monthly at the low price of \$1.50 per year. It will contain 32 pages, and will be devoted to frontier history, border tragedy and pioneer achievement. Enroll your name now as a subscriber and pay the subscription as soon as you receive the first copy.

Some folks think that Medina portion of the Bandera-San Antonio road will never be fixed. But we have it on very good authority that work is to begin on constructing the three mile stretch within the next three or four weeks.

"Strong and Well"

"I WISH you could know how much I am improved since taking the Cardui," writes Mrs. Nannie Brown, of Black Rock, Ark. "You wouldn't know me for the same weak invalid I was before I took it. At my ... I had to keep off my feet or I would fall. I couldn't do my housework, and just got where I'd most as lief be dead as living. Some one told me of Cardui. He got

it for me and I took three bottles before I stopped—then off and on for the last three years just as a tonic. I saw a decided improvement after my first bottle. I used the three, and was able to do my work with ease, and now I see for my family and for others. I am feeling fine, and strong and well." Take Cardui! It may be just the medicine you need.

QUIHI NOTES.

The missionfest celebrated last
Sunday by the Bethlehem Lutheran
congregation at Quihi was a splendid
success. The services in the fore
and afternoon were largely attended
and the discourses of Revs. A. Falken-
berg of Hondo and A. H. Falkenberg
of Round Top were eloquent and re-
plete with facts and figures relative
to home and foreign missions and
were greatly enjoyed by all present.

Rev. J. M. Berger of Arneckeville,
Texas, who visited with Rev. and Mrs.
HassKarl of Quihi the past few weeks,
returned to his home last Monday.
Rev. Bergner enjoyed his stay in the
Quihi community so well that he de-
clared before leaving that he will visit
here again next year.

Rev. C. P. HassKarl, pastor of
Bethlehem Lutheran church at Quihi,
announced last Sunday that a meet-
ing of all the young people of that
community would be held next Sun-
day afternoon at three o'clock in the
church to consider and talk over the
possibility of organizing a young peo-
ples' society. A good young peo-
ples' society is a great benefit to
young people and affords them many
opportunities to work together for
their mutual welfare and happiness.

After spending a fortnight with
friends at Quihi, Rev. and Mrs. A.
Bethheit left here last Saturday for
a visit with relatives at Maxwell,
Texas.

"LIGHTNIN", WORLD-FAMOUS PLAY, IN SAN ANTONIO NEXT WEEK.

Exactly as it ran for three years in
New York and two years in Chicago,
John Golden will present his famous
comedy classic, "Lightnin", at the
Majestic theatre, San Antonio, for
a week beginning Sunday night, Sept.
9. Matinees are announced for Wed-
nesday and Saturday and seats are
now on sale at the boxoffice. Mail
orders accompanied by remittances
(except personal checks) will be
promptly filled in order of receipt.
"Lightnin" contains more laughs,
thrills and heart throbs than any play
that the American stage has known.
It takes its title from a shuffling,
lovable old vagabond and most of
the action takes place in a small
mountain hotel astride the California-
Nevada state line. There is a tre-
mendously realistic courtroom scene,
showing the Reno divorce mill in
operation.

On its first tour of the principal
Texas cities "Lightnin" is being in-
troduced by an all-star cast, headed
by Thomas Jefferson, son of the late
Joseph Jefferson and Jessie Bacon,
whose father, Frank Bacon, wrote
and starred in the play. Because of
the stage area required for the big
courtroom scene it can never be pre-
sented in the smaller cities.

Prices for the San Antonio engage-
ment, including tax, will be: Nights
Lower floor, \$2.75; Mezzanine, \$2.50;
Family Circle, \$1.65 and \$1.10; Gal-
lery, 55c; Matinees, Orchestra, \$2.20;
Mezzanine, \$1.95; Family Circle,
\$1.10 and 55c; Gallery, 55c. No
seats will be laid aside unless paid
for and no patrons will be seated
during acts. Performances will be-
gin at 2:30 and 8 P. M. For further
information telephone the Majestic
boxoffice, Crockett 76.

ADVENTISTS MEETING POST- PONED.

The meeting that was announced in
last week's paper for Sunday, Sept.
9th, has been postponed until Sunday
night, September 16th. Those in-
terested will please take notice and
be governed accordingly.

Respectfully,
W. S. Lowry,
Pastor.

THE HOME GUARDS

Livergard and Lungardia

LIVERGARD is the New Laxa-
tive we can not improve; excels all
others. When a Laxative is needed,
makes laughing babies of puny ones,
keeps old folks young.

Lungardia has no equal for
Coughs, Colds, Sore Throat; unsur-
passed in removing deep Coughs of
long standing. One trial convinces.
